CASE No: **WW-5-1537-1** PIN No. BR97-0186
APPLICANT: Warren Elementary School
ADDRESS Attention: Andreas Lehner, Principal
293 School Road
Warren, VT 05674

This permit affects property identified as Town Tax Parcel ID # 001-002-002 and referenced in deeds recorded in Book 24 Page(s) 291 of the Land Records in Warren, Vermont.

This project, consisting of the replacement of an existing water storage tank and standby chlorination for an existing elementary school, located at 293 School Road, Warren, Vermont, is hereby approved under the requirements of the regulations named above, subject to the following conditions:

1. GENERAL CONDITIONS

1.1. The project must be completed as described on the plans and/or documents prepared by Bruce Douglas, listed as follows:

Sheet 1, Title Sheet, Legend and Construction Notes, dated 4/2008,
Sheet 2, Water Storage Tank Site Plan, Section and Details, dated 4/2008,
Sheet 3, Interior Water System Schematics and Electrical Details, dated 4/2008,
Sheet 4, Miscellaneous Details, dated 4/2008,

and whieh have been stamped "APPROVED" by the Wastewater Management Division. No alteration of these plans and/or documents shall be allowed except where written application has been made to the Agency of Natural Resources and approval obtained.

1.2. Each prospective purchaser of any portion of the projeet shall be shown a copy of the permitted plans and the Wastewater System and Potable Water Supply Permit prior to conveyance of any portion of the project.

1.3. All conditions set forth in WW-5-1537 shall remain in effect exeept as amended or modified herein.

1.4. The conditions of this permit shall run with the land and will be binding upon and enforceable against the permittee and all assigns and successors in interest. The permittee shall be responsible for recording this permit in the Warren Land Reeords within thirty (30) days of receipt of this permit and prior to the conveyance of any lot subject to the jurisdiction of this permit.

1.5. This permit shall in no way relieve you of the obligations of Title 10, Chapter 48, Subchapter 4, for the protection of groundwater.

1.6. By acceptance of this permit, the landowner agrees to allow representatives of the State of Vermont access to the property subject to this permit, at reasonable times, for the purpose of ascertaining compliance with Vermont environmental/health statutes, regulations, and permit conditions, including performing an inspection of the wastewater disposal and water supply systems serving the/each structure.

1.7. This permit does not relieve you, as landowner, from obtaining all approvals and permits as may be required from the Act 250 District Environmental Commission, the Division of Fire Safety (phone 479-4434), and local officials PRIOR to construction.

(CONTINUED)

2. WATER CONDITIONS

2.1. All conditions set forth in WW-5-1537 shall remain in effect except as amended or modified herein.

2.2. This water system shall be operated at all times in a manner that keeps the water supply free from contamination. Should the system become a failed water system, and not subject to a minor repair, the current landowner must engage a Licensed Designer to evaluate the cause of the contamination and to submit an amendment application to this office prior to repair or replacement of the system.

2.3. The water supply for this school is a Public Non-Transient Non-Community water supply. The installation of the water system shall be completed in accordance with the conditions of the Water Supply Division approval. The Water Supply Division approval number for this project is WSID #6664.

3. SEWAGE DISPOSAL CONDITIONS

3.1. All conditions set forth in WW-5-1537 shall remain in effect except as amended or modified herein.

Laura Q. Pelosi, Commissioner
Department of Environmental Conservation
